LIFE CAN BE DIFFICULT. And to struggle is part of being human. There are times when it is good to be able to talk through issues with someone you trust.

Our desire at WCC Counseling Center is to create a safe, private place where people can share their hearts. We want to help people move toward healthy relationships with God and each other. Our counseling is biblically based, and exists to offer the hope and healing of Jesus Christ in times of pain or crisis for families, singles, children, adolescents, and adults.

Some ways we can help:

- Marriage counseling
- Family counseling
- Child/adolescent therapy
- Group counseling and support groups
- Individual therapy
- Counseling seminars
- Mood difficulties
- Eating disorders
- Self-harm issues
- Managing stress
- Dealing with grief

Pastoral Counseling

We call our staff “pastoral counselors” not because of a position they hold in the church, but because of the style of counseling we use. Pastoral counseling involves building a relationship based on trust and open communication, where counselors use the Bible as the ultimate authority for their counsel. All of our pastoral counselors have a Master’s degree.

What to expect:

To set up counseling sessions, you will talk first to the Counseling Administrator. From the information that you provide, you will be assigned to a specific counselor based on the issue you want to discuss and the time you are able to meet. During your first session, you and your counselor will decide how often to meet as well as what your goals will be for the sessions.

Cost

\$40 per 50-minute session

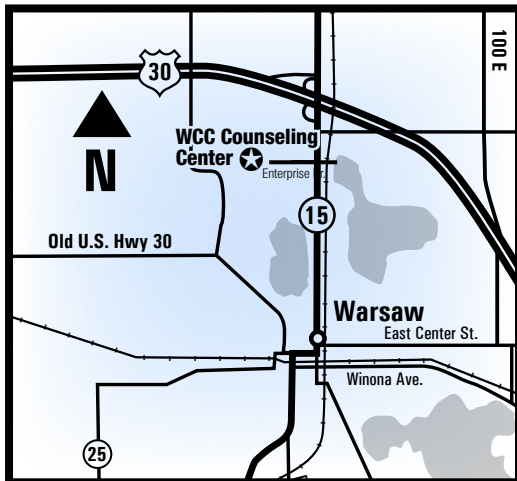

\$35-50 per seminar

*Sorry, we do not accept insurance
