

# WCC Winter Weather Cancellation Policy

The snowflakes have begun to fly, so in case of a possible cancellation, we want everyone to know the important details of our Winter Weather Policy.

## Sunday Mornings:

In the event of severe weather, a decision about canceling will be made 2 hours prior to 1st service time.

We will operate on a progressive cancellation schedule. If we cancel first service, but the weather looks like it will improve, we will assess if we can have either of the other 2 services.

If we cancel all Sunday services, we will schedule a 7pm Monday night service.

## Weekly Events:

If Warsaw Community Schools have a weather-related cancellation, all morning church activities will be cancelled and the decision for evening activities will be made by 3pm.

If the school is on a two-hour delay, then morning activities are cancelled, but afternoon and evening activities will be as scheduled.

The same process for communicating the event status for Sunday will apply for weekly events.
